The terms used in the pricelist should be understood in accordance with the GreenWay terms and conditions of services.

⁽¹⁾ The total price of the recharging service shall be calculated as sum of (i) subscription fee (ii) fee based on kWh rate and (iii) fee based on minute rate.

⁽²⁾ Applies to clients using one-time recharging service.

⁽³⁾ Applies to clients who have completed registration in order to use the multiple recharging service.

⁽⁴⁾ Applies to chargers for which the maximum DC charge power has been reduced to 40 kW. Price for kWh reduced by 10% in comparison to DC recharging - nominal power.

⁽⁵⁾ Applies to stations owned by GreenWay roaming partners. The power is defined by the maximum available power of the charger. For GreenWay charging stations in the Slovak Republic, the prices of the multiple recharging apply.

⁽⁶⁾ Additional fee is not subject to VAT.
